

A REQUEST FROM SANTA

(Continued from page 1)

Give every pedestrian a candy cane of caution that he may walk with care and always reach his destination without accident or injury.

And if you hang a wreath on someone's door, Santa, please make it a bright and shiny one representing the new life and the new beginning in Christmas, not the dark and somber wreath of death which has hung on the homes of so many traffic victims at Christmas time in years gone by.

In closing, Santa, I'd like to ask you to be especially careful yourself this year; so many drivers just don't realize they could kill Santa Claus.

Gets New Management

The Board of Supervisors has approved sale of the Victoria Park Golf Course site to the Los Angeles County Retirement Assn. for \$1,103,266.

This project is one phase of a sale-lease program whereby the retirement group will purchase six county golf courses and lease them to the county for operation.

On motion of Supervisor

Burton Chace, the board approved sale of the 177-acre site near Avalon Blvd. and Victoria St. Under the 50-year agreement, the county will lease the facility at a monthly rate of \$4,367, beginning Dec. 1.

The Board of Supervisors on April 10 approved the program for financing and development of six county golf courses in cooperation with the Retirement Assn.
